

Harvest Estimates

- **According to a mail survey of deer hunters in Louisiana, 299,500 feral hogs were harvested during the 2014-15 hunting season and 172,300 during 2015-16. 130,600 were harvested during 2016-17. This number does not represent agency harvest of hogs, those trapped or shot by farmers or professional trappers.**
